The feel of the action  
Is far behind  
The fruit of the action  
Has nailed you down... dragged you down...

- Progress -

Sealing up reaction  
Overwhelms your conscience  
Leads to more diversion  
And pulls you down  
Coming to attention  
Going through the tension  
Praying for the sanction  
You're fading out

The feel of the action  
The seed of the action  
Will drag you down

Twenty fallen angels  
Heading for salvation  
Heading for the sanction  
Will soil the sky  
Gain a new dimension  
Take a new direction  
Whirlwind of emotion  
For now's the time

- Progress, process, protest, no rest -

The feel the action...  
Has nailed you down... dragged you down...  
Nailed you down...  
Nailed you down...

- Progress -

Twenty fallen angels  
Heading for salvation  
Heading for the sanction  
Have reached the sun

Coming to attention  
Going through the tension  
Praying for the sanction  
You're fading out  
- I know this addiction  
It's all in the passion -

The seed of the action  
Is far behind  
The feel of the action  
Has nailed you down...
