Stretch, sweat, pierce, lash
Choke, crush, strange desire to fly
Scream, fight not to scream
Let's keep on working, man

Shadows in the heat
Weaving on the ground
Sparkle in the sun
Boil in the dark

Start to vaporize
Here comes that need to fly
To fly

Keep on working, man
Keep on working, man

Muscles in the dust
Figures in the light
Choking in the haze
Lashing at the heart

Hurt
(Desire to)
Fire
(Desire to)
Shout
(Desire to)
Burst
(Desire to)
Fly

Keep on working, man

Hate time, hard time
Crush time, strong time
Scream, fight not to scream
Let's keep on working, man

Let's keep on working, man
Let's keep on working, man
