Acts of vengeance  
Violent to behold  
Conflict on demand  
Still no state of hold  
You agitate you agitate you agitate feelings  
You agitate you agitate you agitate my feelings  
Suffers unsung  
nothing nothing to regret  
Coming to behold  
That that sinking feeling  
You agitate  
You hesitate  
You try to hold  
Yes you sink down  
I wait for yes you  
I serve you how  
You don't know it's so wise  
Feel the pain the touch is pure  
I pull you down  
I will drown  
You run  
To stay to stay on top  
Say say say don't hesitate  
Say say say don't hesitate  
You deceive me

Now your face is cold  
This time never told - sing  
A minute in confusion  
Prospects silence for all  
Acts of vengeance  
Violent to behold  
Conflict conflict on demand on demand  
Suddenly you believe  
Final retribution  
This time never told  
Sacred vows  
? the ? of fate  
You fascinate  
You hold me down hold me down hold me down hold  
me down  
Violent to behold

Conflict on demand  
Terminate your state of hold  
You agitate you agitate
