There'll be bloodshed
You're a cop
There'll be bloodshed
You're a cop
You're a cop

There'll be bloodshed
You're a cop

Drop the bomb
The light burns bright
Set it on the ground
On the [Incomprehensible]
You are cop

No more questions
No more lies
You are cop
Something's happening
It's on my face

There'll be bloodshed

Hesitate
Trembling hopes
Turn the things
No one wins
You are cop

Tell us what to do
Hold still
Dance through the light
Do what you will

Penetrate
One more shot
No one left to kill
In my head

Can I drop that?

Tell us what to do

Hold still
You are cop
Face the light?
Nowhere left to live

Penetrate
One more shot
No one left to kill
Can we drop here?
