~~~~~

"The human hearts that I have taken into hell"  
"Baby, baby, baby, baby, baby, baby"  
"I didn't hit nobody without no provocation, I mean, I  
didn't say nothing  
to the man, I didn't pull out no gun and tell him that I  
was gonna do  
this to him and shoot him. ???? and he just shoots at  
me ?????  
thats was a perfectly radical group right there if you  
ask me"  
"Frontline!"  
"American"  
March to the rhythm  
Fists in the air  
Statues torn down  
Burning flags everywhere

Atrocity starts now  
The weapons parade  
A nation in turmoil  
Reflected by hate

Believe  
Believe in the fight  
Believe  
Believe in the right

A paradox of discipline  
Only the strong will win  
Kneel to the man  
Who's pointing the gun

A victory  
Or nothing at all

"Quantum moves" (x4)  
Discipline  
Discipline  
"Listen to me, or we'll all be killed"

Move ahead

Move ahead

"????? schoolchildren"

"American"

"Corruptor of justice and innocence and youth"

A paradox of discipline

Only the strong will win

Kneel to the man

Who's pointing the gun

A victory

Or nothing at all

Victory

The State must fall

"Sworn enemy of all the human race"
