Hardened disciple
Feeling no pain
World domination
A restless day

A new dimension
A fatal impact
Disturbed conditions
Terror reigns

Pleasure constricts us
That is the way
Empty perversion
Crippled by fate

Hostile aggression
Resentful mentor
Our strength is growing
We're here to stay

Unseen alliance
The sun is blackening
Memories fading
The final impact

The skin starts tearing
Exposed the weakness
A piercing blunder
Holds no restraint

Diverse communion
New revelation
A shrouded mortal
Bleeds all day
