Waiting is an endless game your feelings never stay  
the same  
You tolerate the ignorance the laughter of which all  
depends

Certainly you've made the trends now you know its  
time's slipped by

Certainly you made the trends but now you know its  
time's slipped by

Dead man's got a scary blade you start to hesitate  
Waiting is an endless game your feelings never stay  
the same

Certainly you made the trends but now you know its  
time's slipped by  
You tolerate the ignorance the laughter of which all  
depends

You tolerate the ignorance the laughter of which all  
depends  
Waiting is an endless game your feelings never stay  
the same  
Certainly you made the trends but now you know its  
time's slipped by

Now they're all encroached by you and you don't know  
what to do

Certainly you made the trends but now you know its  
time's slipped by  
You tolerate the ignorance the laughter of which all  
depends  
Waiting is an endless game your feelings never stay  
the same

Dead man's got a scary blade you start to fear and  
hesitate  
Dead man growls and now you know you better not stay  
and watch this show  
You tolerate the ignorance the laughter of which all

depends
