Move through the body
Move through the air
Move through the body
Like you just don't care
Chorus:
Internal combustion
Excessive fear
Finger on the trigger
The bastards are clear
Violent nation
Metal machine
Murders coherent
Volatile spleen
React to the violence
React to the fear
React to the censors
Changing gears
React to the noise

React to the greed
[Chorus repeat]
Corrupt
Corrupt is the nation
Corrupt
Corrupt is the law
Corrupt
Corrupt is the system
Corrupt
Corrupt are we all
Move through the body
Move through the air
Move through the body
Like you just don't care
[Chorus x 2]
