We're gonna drop this song
cause you don't belong
so you've been told
you don't fit the mold
and just act the same
you need to play our game
cause we won't tolerate
Obliverate dominate
any other trait
Bang! I am maniacal
self destruct and activate
Bang! so unequivocal
Bang! so defiable
Bang! I am political
the name of the game is to win all the way

of hopeless faith
Pinned down
to your chemical cross
what a day what a loss
no one left
to tell this tale
of all of us
life for sale
The clouds start to rise

we all start to burn
there is no surprise
when will we learn
who we are to be
watch the enemy
in your sights you see

when will we be
Bang! I am maniacal
Bang! So defiable
Obliverate dominate selfdestruct and activate

Bang! I am political
Bang! So unequivocal

Pinned down

the name of the game is to win all the way
to your chemical cross
of hopeless faith
no one left
what a day what a loss
of all of us
to tell this tale
life for sale

No one left
to tell this tale
of all of us

life for sale
Bang! I am maniacal
Bang! So defiable
Obliverate dominate self destruct and activate
Bang! I am political
Bang! So unequivable
the name of the game is to win all the way
Pinned down

to your chemical cross
what a day what a loss
of hopeless faith
no one left
to tell this tale
of all of us
life for sale
