

Front Line Assembly "Plasma Springs"

Visit "[Plasma Springs](#)" on MotoLyrics.com

Voices I Hear
Impact Is Near
Switches Are On
It Won't Be Long

Distinguish The Sound
You Must Be Strong
Software Collides
On Both Sides

Run For Your Lives
If You Want to Live
The Situation Is Imperative
As Cold As A Corpse
You Try to Hang On
Your Heart and Devotion
Will Soon Be Gone

Communicate Now
The Knowledge Is Here
No Limitations
New Generation

Attack Slow Rate
One by One
Designed to Destroy
All in One

Control The Machine
Break The Seam
Brainchild of Ours
Devoured by Hours

Now You're Strapped In

It's Your Turn to Win
Skin Stretches Thin
When You Begin

Seconds Go By
Now You Will Die

Machine Is Turned On

You Must Be Strong

Voices I Hear

Impact Is Near

Switches Are On It Won't Be Long

Distinguish The Sound

You Must Be Strong

Software Collides

On Both Sides

Communicate Now

Knowledge Is Here

Exterminate Fear

Within This Sphere

One by One We Will See New Horizons

To Set Them Free

Break The Seam

In The Stream

Brainchild of Ours

Devoured by Hours
