~~~~~

"Where am I? Am I dreaming or is this death? I'm dead,  
I think."

A grey, toxic rain  
Starts to appear  
No real life  
Just human wasteland  
All around...

Vapours of nerve gas  
Fill the air  
No natural light  
No law  
Or religion...

Mutants  
Roam the earth  
Covered by ruins  
The stars are gone  
Time is up...

Chorus:  
This is another world  
This is another world

There is no room  
For existence

Nuclear warfare  
The answer  
To all our questions...

Prisoners  
In their own lifeform  
Support systems  
Rave failed  
Human disease

(Chorus)  
"Where are we? We're in my brain."  
"You could call it the kinder, gentler lobotomy."  
Nervous convulsion

Create grinding faces  
Eyes are burning  
Polluted noise  
Splits ear drums...

(Chorus)

"Just another dream. Oh, thank God."
