of the homeboys from
the neighborhood. This is Little School. School, that's
Kid Frost.

[Frost] What's up, holmes?

[Little School] Hey Frost, bust an old school jam!

[Frost] Alright little homie, yeah. Heh Heh!

[Verse 1: Frost]

Q-vo, aqui estoy, yeah it's the big boy
down with the homegirls, down with the homeboys
kicking back, listening to a Huggy Boy rola
waiting for the night to hit so we can find some cholas
I told you I'll come back in nine tray
bumpin' in my six tray
cruising in the calle
I gots my parole
horale ese
cause when I do it, I do it all day (all day)

and then I come back again
with another stack to spin
on all my friends
and now I get my gangster roll on
brand new clothes on
and so on and so on
and now I need to beat the flow on
here it is right here Frost man go on
yeah it's smoke going out with a bang
cause it ain't nothing but a family thing, yeah

[chorus: Rich Garcia]

It's a family affair

It's a family affair

It's a family affair

It's a family affair

[verse 2: Frost]

Oye vato, what's up loco?

check out the style of my vocal

and take a look and see what the cab dropped in

one big bad ass mexican

and I'm ready for anyone, down for anything

and I can pass any test that many bring

vatos wanna know where I'm from

I'm from the varrio East Los Aztlan

and ain't no neighborhood can mess with that

cause it ain't where your from it's where you're at, now

chavalillos in the park after dark

and the hoodlums run scared when the dogs bark, so

get out the neighborhood and don't look back

because I cut no slack when I'm holding a tech

and it's all about backing up your last name

we in the same game, it's a family thing

[chorus]

It's a family affair (me and la familia)

It's a family affair (always)

It's a family affair (together forever)

It's a family affair (ooh yeah)

[verse 3: Frost]

Kid Frost back and I'm down

and my familia is anyone whose skin is brown

Rancheros and the trucks so the grey vans

taggers in the alley with a bag full of spraycans

here come the jura gotta bail out

and even them ..?.. and the cops bug they sell out

the cholos the cholas who ain't soft

it's the mean mafioso gangster Frost

comin' at ya, don't try to slam me

cause mexicans always got a big ass family

the quetes, the valas, the Chevy Impalas

the gang bang cycles with the media collars

so if you're brown you're down, so stay proud

and remember no busters allowed

cause the mexican people is a big ass gang, yeah

it's a family thing, huh

[chorus]

It's a family affair (hey now now yeah)

It's a family affair (me and la familia)
It's a family affair (It's a family affair)
It's a family affair (la la la la la la la)
It's a family affair (kicking it with the homegirls)
It's a family affair (kicking it with the homeboys)
It's a family affair (all night, all night, all day)
It's a family affair (all day, having a good time, yeah)
It's a family affair (eeeeee)
It's a family affair (en la familia)
It's a family affair (together, together)
It's a family affair (forever, always)
It's a family affair
