[Music by Claudio; Lyrics by Gionata August 2000]

I refuse the whole life  
Covered by silver plains...  
I'm here beyond thy grief  
Of the unbounded witness

Pierce me up! With painful blades...  
You deserve... evil feelings in me...

I'm my worst enemy  
I'm the confusion  
I am your disgrace  
Of blood, of bleeding hands...

Red as red wine  
I feel your divine  
Essence in blood  
Upon the shelter of god...

Crimson colours of moonlight  
Storming through the veil of time  
Insanity reigns in my life  
'Cause I've an enemy within.  
Crimson colours of hate and dread  
As a strange dream lurked in earth  
Nailing the supreme essence... of the night  
Could I have a nail more?
