### "A New Kind Of Love"

A new kind of love  
Genetically altered  
Enough of "Love Lite"  
And "I Can't Believe It's Not Love!"  
I can't help myself  
And you don't have to say that  
"It sparks across flesh  
You'll feel it kicking in soon"

Are ya falling in love?  
I've a feeling you are  
Are ya falling in love,  
With a feeling?

So you're running late  
And it's not even like you  
You were doing so well  
Did the dog eat your homework again?  
I can't help myself  
Cause my friend says in real life  
"It's only the police  
That ever come looking for you"

Are ya falling in love?  
I've a feeling you are  
Are ya falling in love,  
With a feeling?

Are ya falling in love,  
Or only feeling you are?  
Cause if you're falling in love,  
Let me feel it

I've been busy,  
You know that  
You know you're just saying that  
Are you going to get that?  
What's that supposed to mean?

I've been busy, you know that  
You know you're just saying that

Are you going to get that?  
What's that supposed to mean?

Are ya falling in love?  
I've a feeling you are  
Are ya falling in love,  
With a feeling?

Are ya falling in love,  
Or only feeling you are?  
Cause if you're falling in love,  
Let me feel it

Let me feel it  
Let me feel it  
Let me feel it

Let me feel it  
Let me feel it  
Let me feel it  
Let me feel it
