Dy dey, Dy dey, Dy dey, Dy dey (x2)

Sometimes I like to get away from this maddening
shroud

Sometimes I'll have you know it's all insane
Maybe it's time for me to pack it in
Maybe it's time for me to jack it in
Maybe it's time for me to halt...

I've got a good mind to throw it all away
Throw it all away
Throw it all away
I've got a good mind to throw it all away
After all, what is it worth

Sometimes I like to get away from this saddening
crowd
Sometimes I feel my life is all in vain (nn, Diy da, nn da)
Maybe it's time for me to pack it in
Maybe it's time for me to jack it in
Maybe it's time for me to halt...

I've got a good mind to throw it all away
Throw it all away
Throw it all away
I've got a good mind to throw it all away
After all, what is it worth

Some days my strength walks out
Some days I can't go on
It is for real
We can walk about
We can work it over, and over, and over, and over, and
over, and...

I've got a good mind to throw it all away
Throw it all away
Throw it all away
I've got a good mind to throw it all away
After all, what is it worth
I've got a good mind to throw it all away
Throw it all away

Throw it all away
I've got a good mind to throw it all away
After all, what is it worth
