All the things she said
All the things she said
Runnin' through my head
Runnin' through my head
Runnin' through my head
All the things she said
All the things she said
Runnin' through my head
Runnin' through my head
All the things she said
(This is not in mind...)

Let me tell you this,
I feel totally lost
If I'm asking for help
It's only because
Being with you has opened my eyes
Could I ever believe such a perfect surprise
I keep asking myself
Wondering how
I keep losing my eyes
But I cannot get out
I'm going to fly to a place where it's just you and me
And nobody else
So we can be free

All the things she said
All the things she said
Runnin' through my head
Runnin' through my head
Runnin' through my head
All the things she said
All the things she said
Runnin' through my head
Runnin' through my head
All the things she said
This is not in mind, THIS IS NOT IN MIND!
(All the things you said...)

And I'm all mixed up, feeling cornered and rushed
They say it's my fault but I want her so much
I wanna fly her away

With the sun and the rain commin over my face
Wash away all the shame
And when they stop and stare
Don't worrying me
Cuz I'm feelin for her what she's feelin for me
I can try to pretend I can try to forget
But it's driving me mad goin out of my head

All the things she said
All the things she said
Runnin' through my head
Runnin' through my head
Runnin' through my head
All the things she said
All the things she said
Runnin' through my head
Runnin' through my head
All the things she said
(This is not in mind...)
(All the things she said...)

Mother, looking at me, tell me, what do you see?
Yes, I've lost my mind

Daddy, looking at me, will I ever be free? have I
crossed the line?

All the things she said
All the things she said
Runnin' through my head
Runnin' through my head
Runnin' through my head
All the things she said
All the things she said
Runnin' through my head
Runnin' through my head
All the things she said
(This is not in mind...)
(All the things she said...)
