"The Dumbing Down Of Love"

Well painted passion
You rightly suspect
Impersonation
The dumbing down of love
Jaded in anger
Love overwhelms you
No box of chocolates
Whichever way you fall

And if I tell you
Lover alone without love
What will happen
Lover alone without love
Will you miss him?
Lover alone without love

No, no I'll get this
I want to treat you
You're still not famous
And you haven't struck it rich
Underachieving
'Cause no one's receiving
This tunnel vision
It's turning out all wrong

And if I tell you
Lover alone without love
What will happen
Lover alone without love
Will you miss him?
Love alone without love

Music is worthless unless it can
Make a complete stranger
Break down and cry

And if I tell you
Lover alone without love
What will happen
Lover alone without love
Will you miss him?
Love alone without love
