She's the one who burned me at the stake
Sweet girl
Lacked by vision kneeling on her bed
Dark cloudy eyes foreseeing obsession
Beautiful and willful

It seems those years
I've been lying on a spell-bound bed
Haunted, disappointed, down
Like a daemon obsessed waiting for dawn

I've been writhing, feeling her scent
It seems the night has brought her unrest
She was kissed, caressed, loved
Sweat screaming in mourning

I've been writhing, feeling her scent
I've been writhing, feeling her scent
I've been writhing, feeling her scent
I've been writhing, feeling her scent

She was a swear, she was my girl
And I was that saint Lucifer
Beautiful and willful
She's the one who burned me in that stake
Dawning for a sweet girl, no, no, no, no

She was a swear, she was my girl
And I was that saint Lucifer
Beautiful and willful
She was the one who burned me in that stake
Dawning for a sweet girl, no, no, no, no

Lacked by vision kneeling on her bed
Dark cloudy eyes foreseeing obsession

Dawning for a sweet girl, no, no, no, no

Haunted, disappointed, down
Like daemon obsessed waiting for dawn
Haunted, disappointed, down
Like daemon obsessed waiting for dawn

Dawning for a sweet girl, no, no
Sweet girl, for a sweet girl
