It's a full moon and I stay where
I used to stay, nothing's changed
Everything keeps haunting me
How long more? How long more?

Haunted, haunted, haunted

It's a full moon and I stay where
I used to stay, nothing's changed
Everything keeps haunting me
How long more? How long more?

I am haunted, I am fretted
I'm followed by my despair
I breathe like dragged under the water

Who I am now?

Haunted, haunted, haunted

It's a full moon and I stay where
I used to stay, nothing's changed
Everything keeps haunting me
How long more? How long more?

It's a full moon and I stay where
I used to stay, nothing's changed, changed
It's a full moon and I stay where
I used to stay, nothing's changed, changed

Haunted, haunted
I breathe like dragged under the water
