You can by the most exclusive clothes you can find
& you can hang out with all the hip people of this time
You can get high with any drug you can think of
yeah, & you can sell your soul to the devil just to get
approval
Don't you know it just ain't Rock & Roll
Yeah, don't you know it just ain't Rock & Roll
And it sure as hell ain't no Jazz neither

You can pour your heart out on the stage every night
& you can FUCK a new chick just to make you feel
alright.....
Don't you know...

You can search high & low for paradise but your bound
to see lifes possibilities as flashbacks when you lie in
the ground
Don't you know....

And all the friends you had, they weren't for real
and all the lovers you collected, well now, they were
just a dream
And everything you said & done seem so worthless,
worthless, worthless
& it just keep on getting lower as low as it can get

You're the king of melancholic dignity
You're the Champion of poetic negativity
