It's becoming a nightmare  
And it's all 'cause of you  
We'll never be together  
It's always a nightmare  
When it turns to night  
Your love is like a nightmare

Can't you see our love's a nightmare  
Can't you see it's going nowhere  
Every date is like a nightmare  
Can't you see we're going nowhere  
Whoa whoa whoa!

And when it started  
It wasn't working out  
Your love is such a nightmare  
I just can't fight it  
It scares me sometimes  
Your love is still at the bottom

Whoa whoa!

I just can't live through this nightmare  
Can't you see it's going nowhere  
Whoa hey!  
Every date is like a nightmare  
Can't you see we're going nowhere  
Whoa whoa whoa!

(Break)

And the last call  
Will 'cause me to fall  
Your love is still a nightmare  
Whoa whoa!

Can you save me from this nightmare  
Can't you see it's going nowhere  
Every date is like a nightmare  
Can't you see we're going nowhere  
Whoa whoa whoa!
