Well I'm wonderin' when we'll meet again  
Will it be tonight, tomorrow, I gotta know when  
I now know we'll never see each other  
Cause I know you're having an affair with my brother  
No!

Well I guess I gottaÂ...  
Paperback Love  
I gotta Paperback Love  
Yes, I gotta Paperback Love  
I gottaÂ... Paperback Love

I'll know we'll never have this magic again  
I know you're dating this guy, and his first name is Ben  
For me that 'ole Santa never comes to town  
Because there is always someone puttin' me down

Oh No!

Well I guess I gottaÂ...  
Paperback Love  
I gotta Paperback Love  
Yes, I gotta Paperback Love  
I gottaÂ... Paperback Love

(Break)

Well I guess I gottaÂ...  
Paperback Love  
I gotta Paperback Love  
Yes, I gotta Paperback Love  
I gottaÂ... Paperback Love

Well I guess I gottaÂ...  
Paperback Love  
I gotta Paperback Love  
Yes, I gotta Paperback Love  
I gottaÂ... Paperback Love
