If I play the game
And I win the fame
Will I be the man
I dreamed of And if
I woo the crowd
And their screams are loud
Is it really me that they love
What does it profit
What does it profit me
If I gain the whole world
And lose my own soul
What would be said of me
Oh my vanity, vanities
Chasin' the wind
I'm feelin' empty again, yeah
I'm feelin' empty again
If I gain the whole world
And lose my own soul
What would be said of me
Or my vanity vanities
Chasin' the wind
And I'm feelin' empty again
If I gain the whole world
And lose my own soul, ooh
What would be said
Tell me what would be said
Or my vanity, vanities
Chasin' the wind
I'm feelin' empty again, yeah
I'm feelin' empty again, yeah yeah
Jesus come fill me again
