What's the use in my advice that you just turn down?
Swaying to a serenade, you never hear a sound
But I know you know now

Generate the false alarms
The verdict: counterfeit
Flashing lights to bring you back from who you're
running with
But I know you know now

Tell me why you're leaving us

Moving to a caged mistake
Expression isolates
Owing up for deals you struck
For deals you can't replace
But I know you know now

And you can't say no
You can't say
And you can't say no
You can't
You can't say

Tell me why you're leaving us
(Why'd you want to leave so bad?)
