I never know now what you want  
You say nothing if you say it all  
Never want to take a stand  
Be outspoken in a spoken plan

Listening, I'm not listening, to -  
Listening, I'm not listening, to -

Indecision into stop  
Stand off if you can give it up  
[?] on your own  
To love for love and love alone

Listening, I'm not listening, to -  
Listening, I'm not listening, to you

A cold heart  
Hits me  
Just choose  
Between

We'll chase

Both ends  
'Til both hearts  
Wear thin

You don't listen,  
You don't listen,  
Man you don't listen

You don't listen,  
You don't listen,  
Man you don't listen

You don't listen,  
You don't listen,  
Man you don't listen

You don't listen,  
You don't listen,  
Man you don't listen
