Private Eye, it's spy versus spy,
Fly away, fly away.
It's not so bad, ah but she's just a drag
Not like you, nothing like you.

If you want me, come and get me
If you want me, come and get me

Private Eye, I wish I could fly,
Fly away, fly away.
Oh what a shame,
Cause you still act the same,
It's not like you, nothing like you.

If you want me, come and get me
If you want me, come and get me
If you want me, come and get me
If you want me, come and get me

It's all right, it's all right.
It's all right, it's all right.

Come and get me. Come and get me.
Come and get me. Come and get me.
Come and get me. Come and get me.
