Private eye  
It's spy versus spy  
Fly way, fly away

It's not so bad  
Ah but she's just a drag  
Not like you, nothing like you

If you want me come and get me  
If you want me come and get me

Private eye  
I wish I could fly  
Fly way, fly away

Oh what a shame  
Cause you still act the same  
It's not like you, it's nothing like you

If you want me come and get me  
If you want me come and get me  
If you want me come and get me  
If you want me come and get me

It's all right  
It's all right  
It's all right  
It's all right

Come and get me  
Come and get me  
Come and get me  
Come and get me  
Come and get me  
Come and get me
