"Better To Try"

Visit "[Better To Try](#)" on MotoLyrics.com

My eyes can only see and my ears can only hear

Only my mind can conceive all that which I think I fear

Imagination charms me but often leads me astray

And like a labyrinth sometimes it's hard to see the right way

Everybody there's something to learn

With each and every little stone I've turned

Chorus:

Ooh, better to try than never know

Better to try than never know

Cause there is nothing to fear

Limitations are emotional chains of my delicate pride

Living with failure is easier than knowing I never tried

When nothing's ventured there's nothing to gain

No greater loss than a life lived in vain

Chorus

Na, na, na, na, na, na, na, na, na!! 9 times
