I fooled around and fell in love  
I must have lost my head, what was I thinking of?  
I tried so hard to keep my cool  
I'm no better than those other fools  
Now, I'm head over heels for you

I thought I could play it smart  
But just like that it seems, you stole my heart  
Love is blind, I couldn't see  
I let my heart get the best of me  
And now, I'm head over heels for you

How could I think that I could ever  
Hide from love forever

Now! Now that I know this is true  
I'm head over heels for you  
Love found me  
Now I'll never let it go  
(I won't let go)

I fooled around and now I know  
Loneliness won't leave, if you don't let it go  
So all those notions in my head  
Have disappeared, and now instead  
I'm head over heels for you

How could I think that I could ever  
Hide from love forever

Now! Now that I know this is true  
I'm head over heels for you  
Love found me  
Now I'll never let it go  
(I won't let go)
