Days turn to years  
But in my heart  
Time has stood still

And like the devil  
In my soul  
It tests my will

Promises,  
Promises that I made  
Are the promises  
Promises I betrayed

I just can seem to make  
The commitment it takes  
'Cause the guilt in my soul  
Takes it toll  
Every time I awake  
Every time I awake

Time hasn't etched away the pictures of your face  
Haunting me always  
Memories I can't erase

And the promises  
Promises that I made  
Are the promises  
Promises I betrayed  
I just can't seem to make

The commitment it takes  
And a piece of my heart breaks apart  
Every time I awake  
Every time I awake

And the night seems so dark and so endless  
My conscious won't let me sleep  
The guilt that haunts me is so relentless  
Cause the promise I made is the one I can't keep

Whoa promises  
Promises that I made

Are the promises  
Promises I betrayed  
And the promise  
Promises that I made  
Are the promises  
Promises I betrayed

I just can't seem to make  
The commitment it takes  
And the guilt in my soul  
Takes it's toll  
Every time I awake  
Every time I awake  
Every time I awake  
[do you ever feel lonely]
