

## **Fruit Bats** **"Blue Parachute"**

If you was inanimate, you'd be a flute,  
Or an airplane that fell from the sky.  
All the way down with a blue parachute,  
With a rip in the side.

And if the stars could breathe, they'd be mountain  
goats  
Or hookers with hearts of gold.  
Or castaway children on a sinking ship  
Slipping into the water so cold.

If tomorrow was living it'd live in the pines,  
It'd sip from the mountain dew.  
God gave Noah the rainbow sign  
And Noah knew just what to do.  
And no one knew just what to do.
