In Haliburton near the Lake of Bays  
lives a fish from a faraways  
He hates the weather but still he stays  
He hates the work but he says it pays

He robs the people as they swim and wade  
His little piece of the tourist trade  
This little fella's really got it made

From May to mid-July

He's Pisco Bandito the bandit fish  
If he wants your money, he gets his wish  
then he swims away with a mighty swish  
Pisco the bandit fish

rrrrrrrow!

ba ba da dop

He left his family down in Mexico (ba ba da dop)  
to fly the waters of Ontario (ba ba da dop)  
He didn't want to but he had to go (ba ba da dop)  
He sends them money every month or so (ba ba da  
dop)

Swimming beneath the summer sun (ba ba da dop)  
or renting videos of Midnight Run (ba ba da dop)  
A bandit's life is lots of fun

It's lots and lots of fun

He's Pisco Bandito the bandit fish  
If he wants your money, he gets his wish  
then he swims away with a mighty swish  
Pisco the bandit fish

What is Pisco's favourite thing to rob?

They say he likes apple strudel

What does he do when not on the job?

on the guitar noodle

Shom-sheh-lom-sheh-lom

A nautical Bruce Willis

A modern-day Sevalis

Antonio Banderas

Whoa!

You may think that to steal is wrong  
But he's no worse than Jean Valjean  
Except he drinks and carries on  
And smashes bottles on the neighbor's lawn

ba ba da dop

The oceans and the seven seas (ba ba da dop)  
Are filled with many different tales like these (ba ba da  
dop)  
Decent folk like you or me

On the wrong side of the law

He's Pisco Bandito the bandit fish  
If he wants your money, he gets his wish  
then he swims away with a mighty swish  
Pisco the bandit fish

He's Pisco Bandito the bandit fish  
If he wants your money, he gets his wish  
he swims away with a mighty swish  
Pisco the bandit fish
