I understand about indecision

I don't care about the FBI

People living in competition

All I want is to have my peace of mind

It's great to be here in this excellent city

It's not too young and it's not too old

The winter-loop sculptures are very pretty

But we'd like it better if it wasn't so Kim Cold

And when we say Kim, we don't mean the great Kim
Band, we mean Kim Cold,

fucking Cold.

THE ORIGINAL LYRICS TO PEACE OF MIND:

Now, if you're feeling kinda low 'bout the dues you've
been paying;

Futures coming much too slow,

And you wanna run but somehow you just keep on
staying,

Can't decide on which way to go.

Yeah, yeah, yeah.

Chorus : I understand about indecision,

But I don't care if I get behind.

People living in competition;

All I want is to have my peace of mind.

Yeah.

O-o-oh.

Now you're climbing to the top of the company ladder,

Hope it doesn't take to long.

Can't you see there'll come a day when it won't matter,

Come a day when you'll be gone.

Chorus

Take a look ahead.

Take a look ahead.

Yeah, yeah, yeah, yeah.

Now everybody's got advice they just keep on giving.

Doesn't mean too much to me.

Lots of people have to make-believe they're living,

Can't decide who they should be.

Chorus

Take a look ahead.

Take a look ahead.

Look ahead
