originally performed by David Bowie

Didn't know what time it was and the lights were low

I leaned back on my radio

Some cat was layin' down some rock 'n' roll 'lotta soul,
he said

Then the loud sound did seem to fade

Came back like a slow voice on a wave of phase

That weren't no D.J. that was hazy cosmic jive

(CHORUS)

There's a starman waiting in the sky

He'd like to come and meet us

But he thinks he'd blow our minds

There's a starman waiting in the sky

He's told us not to blow it

Cause he knows it's all worthwhile

He told me:

Let the children lose it

Let the children use it

Let all the children boogie

I had to phone someone so I picked on you

Hey, that's far out so you heard him too!

Switch on the TV we may pick him up on channel two

Look out your window I can see his light

If we can sparkle he may land tonight

Don't tell your poppa or he'll get us locked up in fright

CHORUS (x2)

La, la, la, la, la, la, la, la (repeat
