Hey, little lady, won't you sing me a song?
Hell, I just wanted you to come along
Hey little lady, help me take this apart
We'll build it better, yeah, right from the start

Man of the moment since his teenage days

Got room in the back
I'm blowin' by she's looking my way

This van is where it's at
Hey baby, what's your sign?
Grab a little when I'm driving by
