Deep space comes a silver shine
Get your go get mine
Our ride was half as bad
Not quite what they had

We'll take what we can get
Even if it's
We'll take what we can get
Even if it's
We'll take what we can get

Even if it's

I've seen it fly around
I seen it hit the ground
Center sun into the sea
No one rides for free

We'll take what we can get
Even if it's
We'll take what we can get
Even if it's
We'll take what we can get
Even if it's
