Well God damn this plan has gone awry
Like to see you try, like to see you try
So now it's time to squash that fly
No the reason why, no the reason why
All this, high kicks, take steps alone
Beats good action, beats good action
3D beats me I didn't know
Going it alone, going it alone

Don't you know?
My hands
Are the sands
That has blown
Don't you know?
My hands
Are the sands

Goodness you wish clean line get home
Million miles alone, million miles alone
Never see these things so stick with me
Til the anti-freeze, til the anti-freeze

Hot smouldering roads they never show
Where you wanna be, Where you wanna be
3D beats me I didn't know
Going it alone, going it alone

Don't you know?
My hands
Are the sands
That has blown
Don't you know?
My hands
Are the sands
