Ya shook the override
Why'd I get this far, this time
A ton of more, I mean
I'm ridin' hell and the mile this time I see

A drift machine ago, I see
A one you'll never know
A drift machine ago
A one you'll never know

An hour late's too soon

Surround the stop right through
A sound far too long
Explode and fail and see goin' to and I'm gone

A drift machine ago and I'm gone
A one you'll never know
A drift machine ago
A one you'll never know

A drift machine ago
A one you'll never know
A drift machine ago
A one you'll never know
