Well I dropped twenty-five  
And I lost mine  
Countin' down or head straight to the sky

I seen-side  
There in no time  
Soarin'-high  
A star shoutin' nine

The falcon has landed..it's shinin' and sanded  
The falcon, it's grounded..that right where..i found it.

The first of it's kind  
In our space and time  
Waitin' out side  
The second ride

I see inside  
There in no time  
Soarin'-high  
A star shoutin' nine

The falcon has landed..it's shinin' and sanded  
The falcon, it's grounded..that right where..i found it

On a hell bent journey to the center of the earth (the  
earth the earth the earth)  
Twin can freaks, payin' what it's worth (it's worth it's  
worth it's worth)  
Haulin' and crawlin, changers on it's way (it's way it's  
way it's way)  
Mars attack risin', now it's too late (too late too late too  
late)

Well I dropped twenty-five  
And I lost mine  
Countin' down-headin' straight to the sky

I seen inside  
There in no time  
Soarin'-high  
A star shoutin' nine
