A day unlike I have seen
No sound, no smell
Know what I mean?
Now I'll see what today will bring

Earth opens wide
Swallows me whole
I slide to where I do not know
The end of life as I've known

'Cos I've been
Searchin' for somethin'
Down here
Thinkin' out loud
Waitin' for nothin'
My mind's been
Thinkin' out loud

I end up where I began
Or is this part of the plan?
I slowly turn my head around

'Cos I've been
Searchin' for somethin'
Down here
Thinkin' out loud

Waitin' for nothin'
My mind's been
Thinkin' out loud

Searchin' for somethin'
Down here
Thinkin' out loud
Waitin' for nothin'
My mind's been
Thinkin' out loud

I walk alone
The town is dry
I recall prophet from the sky
Earth opened wide

Swallowed me whole
So on and on I go

'Cos I've been
Searchin' for somethin'
Down here
Thinkin' out loud
Waitin' for nothin'
My mind's been
Thinkin' out loud

Searchin' for somethin'
Down here
Thinkin' out loud
Waitin' for nothin'
My mind's been
Thinkin' out loud
