tough, you think you got the stuff
you're telling me and anyone
you're hard enough

you don't have to put up a fight
you don't always have to be right
let me take some of the punches for you tonight

listen to me now
i need to let you know
you don't have to go it alone

it's you when i look in the mirror
and it's you when i don't pick up the phone
sometimes you can't make it on your own

we fight all the time
you and i... that's alright
we are the same soul
listen to me now
i need to let you know
you don't have to go it alone

and it's you when i look in the mirror
and it's you when i don't pick up the phone
sometimes you can't make it on your own

oohh,ooooooh yeah
and it's you when i look in the mirror
and it's you when i don't pick up the phone
sometimes... sometimes you can't make it on your own
sometimes you can't make it on your own!!!!
