

Fucked Up "Police"

Visit "[Police](#)" on MotoLyrics.com

Hide from the cops they broke all our locks now we got
to run the cops aint

No fun to hide in the trash cops show me a badge now i
am in jail i dont have no bail on the streets the police in
my house.

The police gotta run the police they gotta gun the
police a shitty band the police i aint no fan the police.
Sleeping on a bench the punch me in the chest just
trying to get some sleep they throw me in a jeep try to
sel me drugs listen to me with the bugs in a pizza van i
aint no fucking fan on his face a mustache they got
their hand in my stash his ugly face i want to bash the
pop the fasc in my head the police on my bed the
police i cant stand the police in this fucking city.
