In your chambers dark  
Powers burn  
Roulette wheel it slowly turns  
Glass coffin filled with fingers duel  
Grab the fire

Over the counter  
I've got it all  
Access to excess respectable  
I feel liberated  
Never had it all  
Over the counter  
I've got it all

I don't know limits  
No control  
Bury the cannon boar the hole  
Itchy hand shows the filth  
The hell that's false  
The blood is burning

Over the counter  
I've got it all  
Access to excess respectable  
I feel liberated  
Never had it all  
Over the counter  
I've got it all

I wait for life  
I wait my ride  
Right in your face  
No....

Gather our children  
Lets all give up

Over the counter  
I've got it all

Over the counter

I've got it all  
Access to excess respectable  
I feel liberated  
Never had it all  
Over the counter  
I've got it all

Over the counter  
Over the counter...

I've got it all  
Yeah....
