I give you everything!
(You let me down, down, down)
I gave you trust and salvation!
(You let me down, down, down...)
I gave you everything that I could provide!
(Yeah)
I gave you strength to stand!
You shove me!
Down
Down
I know you want me to love you
But all you ever do is bring me down
Won't you go away forever?
I taught the world to pay!
(It's coming down, down, down)
Until the moment it let me down
(Down, down, down) Suck the drug from the user...
(Yeah)
Take all my things and run
That shove me!
Down
Down
I know you want me to love you
But all you ever do is bring me down
Won't you go away forever?
I gotta fake it just to see you crawl
All you gave me is your courage
I know you're kickin while I kick you to the curb
Like you did me
Me!
Me!
Oh you shove me!
I know you want me to love you
But all you ever do is bring me down
Won't you go away forever?
I know you want me to love you!
All you ever do is bring me down
Won't you go away forever?
Ever?
Ever?!
NOW!
NOW!

NOW!
YOU SHOVE ME!
YOU SHOVE ME!
YOU SHOVE ME DOWN!
SHOVE ME DOWN!
