I've seen you hangin round  
This darkness where I'm bound  
An' this black hole I've dug for me  
And silently within  
With hands touchin skin  
The shock breaks my disease  
And I can breathe...

And all of your ways  
All you dream... falls on me  
It falls on me  
And your beautiful sky  
The light you bring  
Falls on me  
It falls on me... hahhhah

Ahh, your faith... like a pain  
Draws me in again  
She washes all my wounds for me  
With darkness in my veins  
I never could explain  
And I wonder if you've ever seen  
Will you still believe?

And all of your ways  
All you dream... falls on me  
It falls on me  
And your beautiful sky  
The light you bring  
Falls on me  
It falls on me

Am I that strong?  
To carry on  
I might change your life  
And might save my world  
Could you save me?... huhhhah

And all of your ways  
All you dream... falls on me  
It falls on me  
And your beautiful sky

The light you bring  
Falls on me  
It falls on me

And all of your ways  
All you dream... falls on me  
It falls on me  
And your beautiful sky  
And the light you bring  
Falls on me  
It falls on me...  
Hahhhaha... yeah... ahhhh
