Fuel - if you leave me now

If you leave me now
you'll take away the biggest part of me
ooh girl, I just want you to stay

And If you leave me now
You'll take away the very heart of me
ooh girl, just got to have you by my side

by my side
by my side

If you leave me now
you'll take away the biggest part of me
ooh girl, I just want you to stay

And If you leave me now
You'll take away the very heart of me
ooh girl, just got to have you by my side

by my side
by my side
by my side

If you leave me now
you'll take away the biggest part of me
ooh girl, I just want you to stay

And If you leave me now
You'll take away the very heart of me
ooh girl, just got to have you by my side

If you leave me now
you'll take away the biggest part of me
ooh girl, I just want you to stay

And If you leave me now
You'll take away the very heart of me
ooh girl, just got to have you by my side
