Memories are just where you laid them
Drag the waters till the depths give up their dead
What did you expect to find?
Was it something you left behind?
Don't you remember anything I said, when I said:
Chorus:
Don't fall away
And leave me to myself
Don't fall away
And leave love bleeding in my hands
In my hands again
And leave love bleeding in my hands
In my hands
Love lies bleeding...
Oh hold me now I feel contagious
Am I only the only place that you've left to go?
She cries her life is like
Some movie black and white
Dead actors faking lines
Over and over and over again she cries:
: Repeat Chorus :
And I wanted
You turned away...
You don't remember
But I do
YOU NEVER EVEN TRIED
(End Chorus)
Don't fall away
