Mary pretends she's so insane  
So insane, so insane  
Mary pretends she's so insane  
So insane, so insane

She just sits back and laughs at the pain  
Laughs at the pain, laughs at the pain  
Mary pretends she's so insane  
So insane, so insane

Falling down of her mind  
Gives her everything she's wanted from the world  
Close her eyes, drift inside, so alive

She's gotta know what it feels like  
She wants to know how to fly  
She wants to know what it feels like to die  
Goodbye

Mary pretends she's so insane  
So insane, so insane  
Mary pretends she's so insane  
So insane, so insane

She just sits back and laughs at the pain  
Laughs at the pain, laughs at the pain  
Mary pretends she's so insane  
So insane, so insane

Falling down of her mind  
Gives her everything she's wanted from the world  
Close her eyes, drift inside, so alive

She's gotta know what it feels like  
She wants to know how to fly  
She wants to know what it feels like to die  
Goodbye

Falling down of her mind  
Gives her everything she's wanted from the world  
Close her eyes, drift inside, so alive

She's gotta know what it feels like  
She wants to know how to fly  
She wants to know what it feels like to die  
Goodbye, goodbye, time to fly
