I know I'm dead before my time
I know it's coming down
If you could only see what's right
You'd see what's coming 'round

(So I walk alone)
I walk alone, I ask no quarter friend
(I walk alone)
I walk alone, till I find you again

I know no place to call my bed
But I know this thorny crown
If you would only feed your head
You'd see your hands are bound

(So I walk alone)
I walk alone, I ask no quarter friend
(I walk alone)
I walk alone, till I find you again

(So I walk alone)
I walk alone, I ask no quarter friend
(I walk alone)
I walk alone, till I find you again

I walk alone, I walk alone
(So I walk alone)
I walk alone, I ask no quarter friend
(I walk alone)
I walk alone, till I find you again

(So I walk alone)
I walk alone, I ask no quarter friend
(I walk alone)
I walk alone, till I find you again

(I walk)
Till I find you again
(I walk)
Till I find you again
