Everyday you're on my mind  
Pain is feeling passing time  
But if she found out about us she would die  
And if I have to live without you so would I

So I thirst for the water  
I find myself wanting now

So I'm running away to you  
I cannot escape you  
To feel your touch the faith you prove  
I'm running away to you

Hearts are never made of stone  
Pain will cut you to the bone  
But I know that holding you is all so wrong  
So tonight's the last we'll ever be alone

So I thirst for the water  
I find myself wanting now

So I'm running away to you  
I cannot escape you  
To feel your touch the faith you prove  
I'm running away to you

Turn around, fill my eyes with you  
All senses to commit  
Till every thing's all right

So I thirst for the water  
I find myself wanting now

So I'm running away  
I'm running away to you  
I cannot escape you  
To feel your touch the faith you prove  
I'm running away to you

So I'm running away to you  
I cannot escape you  
To feel your touch the faith you prove

I'm running away to you  
Run to you
